Wouldn't you like to grow with us...?

We're growing!

Someday we would like to be called by a lot of initials and names — like B. B. M. O. and P or Merril Lund, Peace and Rand. Right now we're called Creative Directions and we're in the Advertising business, located in downtown, growing Boston. Wouldn't you like to grow with us?

Your Family Coat-of-Arms

NOW AVAILABLE FOR THE FIRST TIME IN THIS COUNTRY.

This attractive and impressive COAT OF ARMS is richly emblazoned in faithful replica of ancient original family armament. Hand wrought full relief in tankard pewter finish. Hand painted in authentic heraldic colors, mounted on beautifully polished shield. Our files contain the records of armament insignia of well over ninety thousand names and origins including English, German, Irish, Scotch, French, Italian, Spanish, Scandanavian and other European countries.

You will find great pleasure with the acquisition and display of your personal Coat of Arms. These make wonderful gifts to both family and friend.

Registered in Castle Lord Edward in Europe, the Sanson Institute is the authorized representative in the United States. Our craftsmen and artisans are European trained in century old traditions, highly skilled in their professions. The Coat of Arms you see pictured will visably attest to their proficiency and care for detail.

Your Coat of Arms is available in two sizes and two price catagories generally considered very low for such detailed work and painstaking research. A catalogue containing 10,000 names (100,000 coats on file), history of heraldry, origins, arms usage and fully illustrated brochure is available upon request.
